Vidir Motorized Pan Carousel

ONE PERSON OPERATION

One person can rotate the shelves, locate the desired inventory item, stop at the proper position, and remove the product safely and efficiently at floor level.

INCREASED SAFETY

Reduce injuries and risk by letting the machine do the lifting for you.

SPACE EFFICIENT

The Vertical Carousel's small foot print maximizes floor space by fully utilizing vertical space.

Options

- ✓ Inventory control software
- ✓ Modular shelves
- ✓ Safety light curtains
- ✓ Full enclosure

Features

- ✓ Security keypad to prevent unauthorized use of machine
- ✓ Forward/Reverse controls

Benefits

- ✓ Efficient use of overhead space
- ✓ Quick and easy access to inventory
- ✓ Safe & complete load containment
